Hello Summer

Blue skies (dotted with a cloud or two), sun-dappled squares and wildflowers carpeting London's green spaces mean summer fun has begun.

This year is extra special at Brown's – as well as raising our flags to commemorate Her Majesty The Queen's Platinum Jubilee year, we're also marking our 185th anniversary.

Join us as we celebrate summer with a sparkling cocktail by our mixologists at The Donovan Bar or with one of The Queen's favourite cakes in The Drawing Room, all bright and sparkling from its recent refurbishment.

There's something to tickle everyone's fancy, whether you're a picnic seeker, art maven or jazz lover, your summer adventure awaits at Brown's.

Join us on a journey of sun-filled inspiration.

BROWN'S HOTEL

The 1.8.5 Experience

Brown's Hotel has been the backdrop to pivotal moments in literature and film since 1837. Join our illustrious guest list with our 1.8.5 Experience where one night will bring our past 185 years to glorious life.

During your stay, our Managing Director Stuart Johnson will be your host on a private tour of Brown's. You can also explore the royal neighbourhood of Mayfair on a special History Walk.

When the clock strikes 8pm, make your way to The Donovan Bar for our special anniversary cocktail, The Saint George, served with five canapés. Come morning, wake to a classic English breakfast served in Charlie's or in the comfort of your room.

THE DRAWING ROOM

A Modern Classic

Monday to Friday 8am to 9pm

Saturday & Sunday 10am to 9pm

Afternoon Tea served daily 12 noon to 4.30pm

Our Director of Design, Olga Polizzi, has breathed new life into The Drawing Room and the results are elegantly English with her special touch of magic.

The Drawing Room has been transformed with bold floral patterns and glass-top tables featuring old street maps of London.

Take a close look at our bespoke wallpaper designed by the wonderful British interior designer, Adam Ellis, its illustrations of 19th century London, mythological creatures and birds have been inspired by the English painter William Hogarth.

THE DONOVAN BAR

Once Upon a Time

Tuesday to Thursday from 4pm to 11pm
Friday and Saturday from 4pm to midnight
Sunday from 4pm to 11pm

Brown's Hotel has been the place to stay, dine and wine in London for 185 years and to celebrate our landmark anniversary, our mixology maestro Salvatore Calabrese has curated a collection of timeless cocktails evoking memories of our special visitors and events.

From Alexander Graham Bell who made the first phone call from our hotel to the queen of mystery, Agatha Christie, whose *At Bertram's Hotel* novel was inspired by Brown's, celebrate the past and toast the future with our new Once Upon a Time menu.

THE DONOVAN BAR

The Saint George

Tuesday to Thursday from 4pm to 11pm
Friday and Saturday from 4pm to midnight
Sunday from 4pm to 11pm

According to legend, St George vowed to slay a dragon to save a princess as long as a town converted to Christianity.

Part of Brown's Hotel was once The George Hotel, and The Donovan Bar was once named after the saint – look out for an original 19th century stained glass window in the bar in his honour.

Raise a different type of glass with The Saint George cocktail, a nod to our English and Italian heritage with vermouth, Cognac distilled with the essence of oranges and the Italian aperitif Amaro Lucano.

THE DRAWING ROOM

The Supper Club

For a stylish twist on comfort food, our new Supper Club in The Drawing Room is Mayfair's answer for a pre-theatre bite or late night rendezvous.

Whether you're sipping or dining, choose your company and hone your competitive spirit over a board game or two, to a backdrop of soothing jazz.

With a menu curated by Michelin-starred Chef Adam Byatt and our Group Director of Food and Beverage, Lydia Forte, your favourite British plates are now served with a side of wow.
